The screenshot shows the JazzHR by employ interface. On the left is a candidate profile for Carl Whitting, a Graphic Designer in Boston, MA, with options to view his resume and job details. The main area displays an interview guide for a 'Graphic Design Interview' (In Person, 1 hr) with a 'PRINT BLANK GUIDE' button. Below this is a form for 'What one word or phrase describes your design style?' with a 'SAVED' button. At the bottom, there's a section for 'Why do you think you've chosen a career in graphic design?' with a 'SAVE' button. A sidebar on the right lists 'Remember to ask these questions:' with five numbered prompts.
